### CERTIFICATION

I hereby certify that all information submitted in this form and all attached documents contain true and accurate descriptions of this waste. Any sample submitted is representative as defined in 40 CFR 261 - Appendix I or by using an equivalent method. All relevant information regarding known or suspected hazards in the possession of the generator has been disclosed. I authorize the disposer to obtain a sample from any waste shipment for purposes of recertification. If the waste stream or process generating the waste changes, I will notify Nexeo Solutions prior to shipment of the waste.
